Every effort has been made to ensure that the content of this brochure is correct at the time of going to print (August 2016). Datsun South Africa reserves the right to make any changes without notice concerning colours, features or specifications detailed in this brochure. Datsun Dealers will be informed of any such modifications as quickly as possible. Please check with your Datsun Dealer for the most up-to-date information. Some of the features illustrated in this brochure may not be supplied as standard features on some models. Please consult your local dealer to ensure that the vehicle delivered to you is in accordance with your expectations. Due to the limits of the printing processes used, the colours shown in this brochure may differ slightly from the actual colours of the paint and interior trim materials. All rights reserved. Reproduction in whole or part of this brochure without the written permission of Datsun South Africa is forbidden. Quoted fuel consumption and emission values have been established using prescribed method of measurement (United Nations Economic Commission for Europe 'ECE' Regulation R101 in the current version) as required under current legislation. This data does not pertain to the specific vehicle and does not comprise part of the offer, but is supplied for the purpose of comparison between various types of vehicles in accordance with 1999/94/EC. Driving behaviour/conditions and other non-technical factors contribute towards a vehicle's fuel consumption and CO₂ emissions over and above the determined fuel efficiency of a vehicle.
